Vessel's Name:

Barges "KAWAIKH" and "KADHAMAH"

We thank you for your letter of the 17th instant concerning the Load Line Survey of the "KAWAIKH" and have to inform you that we have decided that it is unnecessary to continue maintaining this vessel in Class and no further Load Line Surveys will therefore be necessary. The same applies to the barge "KADHAMAH" and we would be glad if you would advise your Basrah surveyors concerning both vessels.

The operations for which these barges are at present used are not of the same nature as those for which they were intended when they were classed.
