PORT OF GLASGOW

25th February, 1921.

Dear Sir,

With reference to your letter of the 19th ultimo and previous correspondence respecting the fees for the inspection of the installation of electric fittings on board vessels, I am directed to inform you that the fees, as stated in Circular No. 1351, are to be calculated on the total kilowatts of the generators.

With reference to the statement contained in Mr. Clarke's letter of the 10th ultimo that a question had arisen on this matter, I shall be glad if you will state whether this refers to any particular firm or vessel.

I am, Dear Sir,

Yours faithfully,

(Sgd) C.F. Redman.

Assistant to the Secretary.

The Secretary,

GLASGOW.
