26th August, 1926.

Dear Sir,

I am in receipt of your letter of yesterday's date regarding the freeboard of the S.S. "KAHANUI", Messrs. The Dublin Dockyard Co's Yard No. 121, and your remarks have been noted.

In reply thereto I have to inform you that the freeboard certificates for this vessel should be handed to the Captain, who should be requested to arrange for the Official Number to be entered on the certificates by the Society's Surveyor at the port of registration in New Zealand.

At the same time I shall be glad if you will advise the Society's Surveyor at the port of destination in New Zealand, and request him to inform this Office of the Official Number entered on the certificates.

I am, Dear Sir,

Yours faithfully,

Mr. C.E. Roffey,
DUBLIN.

Secretary.
