Dear Sirs,

s.s. "EBRO"

I have to acknowledge receipt of your letters of the 19th and 31st ultimo and to inform you that the case of this ship has received the consideration of the Committee and instructions have been given for a notation to be recorded in the Society's Register Book indicating that the class has been withdrawn at Owners' request.

With regard to the statement contained in the penultimate paragraph of your letter of the 19th ultimo, to the effect that all surveys have been complied with, I would point out that the survey of the main boilers became due in June last and that this inspection has not been carried out under the survey of this Society's Surveyors.

Yours faithfully,

Deputy Clerk to the  
Classification Committee
