Dear Sir,

Motor Tanker "ARABIAN QUEEN"

I forward herewith a copy of letter received from the Society's Surveyors at Gothenburg and would inform you that the Owners' request has today been agreed provided the requirements of a General Examination receive attention with satisfactory results.

A Load Line Survey should be held in conjunction with the General Examination and on completion it will be in order for you to issue a short term Load Line certificate valid until the end of July next.

It will be appreciated if you will kindly give the case the necessary attention when the ship arrives at your port.

Yours faithfully,

c.c. Freeboard

Clerk to the
Classification Committee.

J.C. Edwards Esq.,
ADEN.
