ANSWER

Date:— 28th March, 1963.

We are advised by the Owners that
up to the present no definite informa-
tion has been received from the
Charterers as regards the date when
the charter is to expire. According
to terms of the charter it is possible
that the ship will not be released
until towards the end of June or early
July. In the circumstances the Owners
regret they are not in a position at
the moment to state when the Special
Survey will be held. They will, however
revert to the matter soonest possible.
