Dear Sirs,

## CLASSING LETTER

HGK/MAL

"ARABIAN QUEEN" Reverting to previous correspondence, the report of the General Examination held at Abadan in July has now received the consideration of the Committee, and postponement of the Special Survey until May, 1963 has been approved. Please inform the Owners accordingly.

At the same time you should ascertain from them and let me know what definite arrangements they propose to make to carry out the Donkey Boiler Survey, due last June.

"ATLANTIC QUEEN" Reverting to previous correspondence, the report of the survey held at Singapore last July has now received the consideration of the Committee who have now approved further postponement of the Special Survey until the end of December, 1962. Please inform the Owners accordingly.

I have to point out that the Screwshaft Survey became due at the end of last month, and it is concluded that the Owners will hold this survey concurrently with the Special Survey, but this should be confirmed.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Surveyors,  
GOTHENBURG.
