Dear Sir,

m.t. "ARABIAN QUEEN".

Reverting to our letter dated 26th instant we would advise you that the contemplated drydocking of the above ship at Sasebo is to take place on the 8th August and not July as due to a misunderstanding over the phone with these Owners stated in our letter.

We may refer you to the last paragraph of our letter of to-day's date relating to the case of the "ATLANTIC QUEEN".

Yours faithfully,
