27th June 1962.

Dear Sirs,

M.S. "ARABIAN QUEEN"

R

With reference to the Special Survey, due at the end of last month, the Committee agreed to consider postponement of this inspection until May 1963 subject to a satisfactory General Examination being carried out in drydock.

The Owners have informed the Gothenburg Surveyors the ship is due to drydock at Sasebo about the 8th July when the above inspection, together with the Donkey Boiler Survey, will be carried out, and I shall be glad if you will give the case the necessary attention.

The Owners' Superintendent, Mr. Stjernfeldt, is endeavouring to proceed to Sasebo to attend.

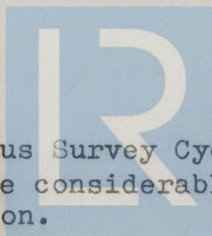

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
NAGASAKI

P.S. The Continuous Survey Cycle is behind hand and should be considerably advanced on the above occasion.
