QUESTION

ANSWER

With reference to my letter of the 10th April, I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made for the drydocking, General Examination and Donkey Boiler Surveys to be held as proposed.

Date:— 4th June, 1962.

The Owners state that the charterers have promised to dis-engaged the ship for drydocking in July when the requisite General Examination will be carried out and the Donkey Boiler Survey held.

Unfortunately they are not in a position at present to state where this will be done, but the Owners will revert to the matter later.
