R.

Dear Sirs,

m.s. "ARABIAN QUEEN"

In reply to your letter of the 27th March I have to say that provided a satisfactory General Examination is held at the drydocking in May next when, it is noted, the Donkey Boiler Survey will be held, the Committee will be prepared to consider the postponement of the Special Survey until some time before the end of May, 1962.

163 - The Continuous Survey of the machinery is much behindhand and should be considerably advanced at the forthcoming drydocking.

I shall be glad if you will advise the Owners accordingly.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
GOTHENBURG.
