A.L.L. SURVEY DUE

Survey(s) and/or conditions  
of class under review

Special Survey due 9.59.  
Main Boiler Survey due 11.58.  
(Last examination in drydock 11.57).  
Screwshaft Survey due 11.60.

Outstanding items  
(if partly held)

Postponements  
already agreed

The case received the consideration of the Committee on 16th June, 1959 and again on 7th January, 1960 when, the tug being laid up, it was agreed that the class remain undisturbed provided the outstanding surveys are held before the ship again proceeds to sea.

New proposal

The Hong Kong Surveyors now write that the ship is still laid up and minor repairs are now being carried out which do not affect the class. The Surveyors state that they will be called in by the Owners when the ship is put on the slipway in November, 1960.
