-----

The 2nd Special Survey No.3 became due on this vessel at the end of April last.

In reply to enquiry the late Owners, who are the Agents for the present Owners, state that they understand the latter do not wish to retain this vessel's class, and this is confirmed in a letter from the Istanbul Surveyor, who states he has approached the new Owners who informed him that they had decided to discontinue the vessel's class with this Society.

The Classing Committee had the case before them on Tuesday, 2nd instant, when they decided to give instructions for the vessel's character to be withdrawn from the Register-Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
