Dear Sir,

I was duly favoured with your letter of the 22nd instant enclosing a copy of an air mail letter received from the Port Said Surveyor regarding the result of his inspection at Suez of the L.C.T. 835 now named "ADULIS".

This latter communication was read to the Committee at their Meeting on Tuesday and the contents were noted with interest.

It is also observed from your letter of the 22nd instant, to the Port Said Surveyor, that the vessel is now being classed for the special service intended.

I am, Dear Sir,

Yours faithfully,

C. Shullis
