71, Fenchurch Street, E.C.3.

14th October, 1947.

ENCLOSURE

S

Dear Sir,

With reference to previous correspondence between us respecting the case of the ex L.C.T. "ADULIS", I think it well to let you know that it has been ascertained from Messrs. Sir J.H. Biles & Co., the Owners' Consultants, that the vessel has already passed Algiers and that although they are concerned to hear the Committee may require an inspection to be held on arrival, they have agreed thereto provided cabled instructions are sent to the Society's Surveyor at Port Said to contact the Captain of the ship (Captain Hair).

Accordingly, the attached cablegram has been sent to Mr. de Wolf the Surveyor concerned.

Yours faithfully,

Clerk to the
Classification Committee

The Secretary,
GLASGOW.
