Enclosure.

95, Bothwell Street, GLASGOW, C.2.

26th September, 1947.

Dear Mr. Shepherd,

W. Murray *MM*

One of the L.C.T.s, now named "ADULIS", has been converted into a cargo vessel at Grangemouth and left for Falmouth on the 23rd instant.

During the trials, deflection of the deck was observed and I consequently think it well to enclose you a statement prepared by Mr. Winders.

Yours sincerely,

Geo. Wolsten.
