Dear Sir,

We have to acknowledge receipt of your letter of 4th September informing us that inquiries were sent on the 1st June and 25th July last to the Owners of "ADULIS", but that no replies have been received.

This morning the new General Manager of Utility Corporation Ltd. was in our office and we had the opportunity of mentioning this matter to him. He said it only came to his notice recently and that he received your letter ten days ago. Apparently therefore his letter has not yet reached us.

It appears that the "ADULIS" has been laid up at Massawa for the past year and that the Sabeen Utility Corporation are endeavouring to sell her. We are told that the ship is now in good working order and that arrangements are being made to complete the inspection when it looks as if it can be concluded.

Yours faithfully,  
For Gellatly, Hankey & Co. (Sudan) Ltd.
