11th February, 1932.

Dear Sir,

S. With reference to the Screwshaft Surveys which became due in October last on the Ferry Steamers "ELIZABETH" and "VIOLET", I beg to acquaint you that I am now in receipt of a letter from the Society's Surveyor at Penang in which he states he has been informed by you that it has been decided not to maintain the classification of these vessels in the Society's Register Book.

The Committee have had these cases before them at their meeting today, and I have to say that in the circumstance they have given instructions for the characters of the vessels to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, in each case, indicating withdrawal of class at Owners' request.

I am, Dear Sir,

Yours faithfully,

The Superintendent,
Federated Malay States Railways,
SINGAPORE.
