Dear Sir,

I am in receipt of your memoranda of the 18th ultimo relative to the steamers "ELIZABETH" and AMBOLET the contents of which have been noted and with regard thereto I have to say that if the port screwshafts were examined by you you should forward the usual reports on Report Forms 9.

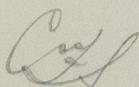

If you did not examine these shafts, I shall be glad if you will ascertain whether they were examined by a competent Engineer, and forward to this Office for the information of the Committee, a copy of any certificates or reports which may be available in connexion with the inspections of the shafts.

I am, Dear Sir,

Yours faithfully,
