# LLOYD'S REGISTER OF SHIPPING

Port London

25th September, 1958.

This is to Certify that I have

Surveyed the S.S. "MORLANDS" 420 tons gross of Methil on  
11th September, 1958 as she lay in drydock at Southwick for  
rooking,

and that I will transmit to the Committee of Lloyd's Register of  
Shipping, London, a Report, stating that all repairs recommended by  
me have been completed to my satisfaction, also that I will

Recommend that she be continued as classed without fresh  
record of drydocking subject to any outstanding conditions  
of class being dealt with as previously recommended,

being fit to carry dry and perishable cargoes.

*J. Todd*

Surveyor to Lloyd's Register.
