Reference

Dear Sir,

your letter of the 22nd respecting  
With reference to/Liverpool report No.81767 on

the S.S."WEAR SIDE" I much regret that the fees for special survey of hull during construction were inadvertently calculated on the abolished tonnage for fees and not upon the gross tonnage as provided for in the New Scale of Fees. An amended a/c has therefore been rendered to the Builders to-day and I shall be obliged if you will kindly have the amount of fee shown on report - viz, £32-2-0 - altered to £42; and also have the transcript of hull rough fee book forwarded from this office on the 22nd instant amended accordingly. The necessary corrections have been made here.

I am, Dear Sir,

Yours faithfully.

*W. J. Clark*  
Secretary to the  
Liverpool Committee.
