5th September, 1950.

F Dear Sirs,

"KARAJ"

I have to inform you that this vessel is proceeding from this country to the Persian Gulf, and I accordingly enclose a Load Line Certificate and certified copy for her service there. I shall be obliged if you will kindly appoint a Surveyor to examine the vessel in order to satisfy himself that she has not sustained damage during the voyage out from the United Kingdom. The freeboard marks will require to be painted in on the ship's sides and verified, and when the above requirements have been complied with, it will be in order for the Certificates to be issued.

Yours faithfully,

pro Secretary.
