Dear Sir,

S.S. LUCY, 987 tons

I thank you for your cable of the 11th instant in reply to mine regarding a request received from the local Agents for a certificate for the above vessel to proceed to Genoa where she will be broken up.

The Agents have been fully advised to-day of the Owner's correspondence with the Bilbao office and of the Committee's requirements for the issue of a certificate to proceed to breaking up port as an unclassified vessel.

It is understood that the local Commandancia Authorities will now continue to deal with the case since the vessel is not now classed.

The local Authorities apparently intervened when the vessel entered the port without a funnel, this was stated to have fallen during the vessel's passage from Bilbao.

Yours faithfully,

The Secretary,
LONDON.
