LONDON/ENGLAND.

Dear Sirs,

Re. s.s. "LUCY"

We have to thank you for your letter of the 5th instn., calling our attention to recommendations made by the Lloyds Surveyor at Genoa last October.

Our final decision regarding this steamer is to bring her to BILBAO, where she is to be tied up, as in view of the weak freight market, her running has been considered uneconomic.

Lucy is now on voyage from Liston to PortLyautey, where she is to load for GRANTON, from here and after discharging she will load probably in the Tyne for Leixoes. Discharged at Leixoes she will proceed to BILBAO.

We now have requested you an extension of her certificates until her arrival at BILBAO.

Case this steamer would be put again in operation, all recommendations also drydock will be complied with and passed in BILBAO.

Awaiting your news, we remain, Dear Sirs,

Yours faithfully,

NAVIERA DE TRANSPORTES, S.L.

P.S. Lucy is expected in Bilbao second half January.
