Dear Mr. Sladden,

ANSD.....

I have your letter of December 16 regarding the "OAKLEY", and can easily answer your question.

The fee charged by the B.C. in March 1949 (copy of account attached) has not yet been paid. A routine statement of accounts rendered was sent to Messrs. Edwin Steamship Co. in May, and the Liquidator wrote last month drawing attention to the fact that this fee was still outstanding, but, as indicated, with no result so far.

Yours sincerely,

W.H. CARSLAW
