Dear Mr. Carslaw,

With reference to correspondence which took place between us in April Last respecting the Steamer "OAKLEY", I should be obliged if you will kindly let me know as soon as possible precisely what is the position to date regarding outstanding survey fees.

I may add that we are inundated with enquiries from prospective purchasers as to the classification requirements for re-instatement of class, and it is proposed to impose, among other conditions, that the survey will not be continued unless the Society receives an undertaking that all fees, including those already outstanding, are paid.

Yours sincerely,

C.C. Newcastle Surveyors.
