

Coasting Service cannot be clearly defined ~~as to~~
~~service's application~~ as it varies depending on the particular region
in which it is intended to Coast. ^{As a rough guide it might be stated that B.C. would} If the ~~or~~ Harris & Dixon would
state the particular service they have in mind a ~~decision~~ could it
be stated if it was considered that the ship would be
suitable for the service.

to consider that the ship should not be more than 50 miles from shore.
