S.

Dear Sir,

With reference to your telephonic enquiry this morning regarding the case of the Steamer "OAKLEY", I have to acquaint you that the reports on this vessel will be submitted to the Committee tomorrow for the assignment of class BS (For Service between European & African ports north of 12°N; also between ports in East Africa North of 30°S, India, Malaya, China & Japan), with record of S.S. Nwc. 3,50, A.S. 3,50 and docking date 3,50 Nwc., together with appropriate machinery notations.

As the only outstanding item is an endorsement of class (B) in respect of slight indents (p & s) in "D" strake plates 5 and 6 from forward, it was not considered necessary to forward to you the deferred reports.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
LIVERPOOL.
