

S.S. "O A K L E Y"

IT IS SUBMITTED Messrs. Anthony & Bainbridge Ltd., be informed the service notation suggested by them for the above ship has been examined, and the following notation based on their proposal has been formulated:-

"For service between European and ~~North West~~ African ports between 12°N. and 69°N. ~~including Cape Verde and Canary Islands~~; also between ports in East Africa North of 30° S., India, Malaya, China and Japan".

It is considered that while the above covers much the same area as their proposal, the actual limits are defined more accurately.
