.....August 5,.....1948.....

MASTS, SPARS AND RIGGING

AS REQUESTED, I HAVE EXAMINED THE MASTS, SPARS AND RIGGING OF THE
"AXLEY".....ON.....August 8,.....1948.....

NOW REPORT THAT I FOUND.....the wire work of Fore and Mainmasts in
condition, a number of Ratlines on the rigging of both Masts
are renewing, also a number of Ratline tarred marline seizings.
recommend that rigging screws be fired and made workable.
