

## POSTPONED SURVEYS.

Case of the S.S. "NAN SHENG"  
No. 19731 in Reg. Bk. tons, Built  
Classed Owners  
Port of Registry   
Reclassification Survey partly held.  
Validity of "Examined" notation expires 11.49.  
Survey Due Load Line Certificate expires 30.11.49.  
Boiler Survey due 11.49.

The Hong Kong Surveyors cable stating the Owners have requested the Load Line Certificate be extended <sup>for</sup> from three to six months, and the completion of the Reclassification Survey postponed for the same period. The Owners state the vessel has just been released after several months of Chinese Government service. The Surveyors recommend the Owners' request for favourable consideration, provided a satisfactory survey be held without dry docking.

*Submitted for favourable consideration*
