Dear Sir,

s.s. "NAN SHENG" ex "Maiwara"

With reference to your letter of 29th August last regarding the arrangements which the owners are making to submit the above vessel for classification surveys now overdue, we have to advise you that letters to the owners dated 31st January, 21st February, and 27th March, 1947 were sent regarding survey for issue of a provisional load line certificate on account of her change of name. Letters dated 1st July, 20th August, and 11th September, 1947 have been sent to the owners informing them of the surveys now due.

To all the above letters no reply has been received and it would appear that they do not intend carrying out these surveys.

For your information, copies of our letters dated 1st July, 20th Aug. & 11th Sept. are enclosed.

We are, dear Sir,

Yours faithfully,
