Dear Sir,

S.S. "EMPIRE DUNNET"
Central Marine Engine Works' Eng. No.1177
West Hartlepool Report No.18686

In reply to your classing letter of yesterday's date regarding the above vessel, we beg to state that the screw shaft and 6 lengths of intermediate shafting were of American origin and were delivered from stock at Glasgow. Enclosed please find Poldi Brinell Test Certificate issued by Central Marine Engine Works for this shafting.

We are, Dear Sir,
Yours faithfully,
The Surveyors,

per

The Secretary,
LONDON.
