GENERAL OBSERVATIONS, OPINION AND RECOMMENDATION AS TO CLASS
 State clearly what alteration, if any, is suggested to be made in the existing Classification or Survey or other records of the Ship in the Register Book consequent upon this survey; for example:—
 "to remain as Classed in the Register Book without fresh record of Docking"; "to remain as Classed and to have record of drydocking 1,55"; or "to remain as Classed and to have record of drydocking 1,55, and the notation of S.S. . . . 1,55".

IN MY OPINION THIS VESSEL SHOULD REMAIN IN THE REGISTER BOOK AS NOW CLASSED WITH FRESH RECORD OF DOCKING 6/58.
