LONDON

Dear Sir:

S/S "ATHEL BROOK"

In reply to your letter of the 25th February regarding the Special Survey to be carried out on this vessel at Georgetown in July next, I wish to advise you that Messrs. Bookers had already been in touch with me about the case, and I have instructed Mr. Holness to join in the survey.

For your information, it is hoped that the survey on this vessel will precede the survey on the "WIRUNI" and be at about the same time as the re-engining of the "KAMUNI", so that Mr. Holness should be able to attend all three vessels at the same time.

Yours faithfully,

Principal Surveyor, U.S.A.
