QUESTION

ANSWER

28 APR 1960

With reference to your memorandum of the 17th March, 1959 and previous correspondence, also your Report No. 8221, I shall be glad to learn what is the present position regarding the supply of a bower anchor at the earliest opportunity.

The Main Boiler Survey will become due at the end of next month and information regarding the arrangements made for this inspection to be carried out will also be appreciated.

Date:— 26th, April, 1960.

This vessel will next month be laid up at Suda Bay Crete for Special Survey when the Boiler Survey will be carried out.

Regarding the supply of a bower anchor further efforts are being made to get a concrete proposal from the Ministry of Marine regarding this item. To date we ^{can} give no positive proposal.
