Dear Sirs,

Steamer "LUEN HWA"

Reverting to your letter of the 9th August last, I have to inform you that the case of this ship which is recorded in the Register Book with the notation "Surveys overdue - Class suspended 8.60" has been reviewed in connection with the next reprint of the Register Book.

In view of the fact that the ship became due for Special Survey in January, 1959, and that the extension until June, 1960 granted by the Committee has expired, also that no information is available as to when this outstanding inspection will be held, it has been decided to omit the class from the next reprint of the Register Book and to insert a notation of "Classed SC until 8.60" in lieu thereof.

Yours faithfully,

c.c. Djakarta.
c.c. Sourabaya.
c.c. Publications Department.

Clerk to the
Classification Committee.

The Surveyors,
SINGAPORE.
