Dear Sirs,

Steamer "LUEN HWA"

I am much obliged to you for your letter of the 9th instant and am pleased to say the Committee are prepared to defer action in this case until the ship arrives at your port. Should she, for any reason, not come under inspection and complete the overdue Special Survey before again leaving Singapore you should inform me immediately as, in that event, it is anticipated the Committee would expunge the vessel's class. Alternatively, I shall be obliged if you will drop me a line to say that the vessel has actually come under your inspection.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
SINGAPORE.
