

9th February, 1960

INGAPORE.

710, 13, 14, 20, 23, 24 - As recommended.

740 "ACHILLES" - As recommended, except that the class has been continued subject as previously recorded.

709 "SALVALOUR" - As recommended, except that assignment of the Special Survey notation has been deferred pending completion of the Line Survey.

26 "STAR BETELGEUSE" - As recommended, except that the class has a continued subject as previously recorded.

93 "LUEN HWA" - As recommended. As a result of the satisfactory result of the General Examination now carried out, the Committee has agreed to postponement of the Special Survey until June, 1960, I shall be glad if you will inform the Owners accordingly.

98 "LILY" - As recommended. It is noted that the wear-down of the propellers was not taken at this time, and I have to inform you that an endeavour should be made for the wear-down to be ascertained at drydocking.
