Reference

Dear Sir,

"ASA V. CALL"  
Nagasaki Rpt 9, No. 1177

RECEIVED

22 OCT 1962

We have observed from the copy of the above report that under the heading of *And* Docking the item "has shaft now examined/fitted a continuous liner" the answer YES was added after the typing of the report.

We are not sure if this was added to the original of this report but if not would you kindly insert "YES".

Yours faithfully,

*W. D. Books*
