

"LIBURNIA"

Tri. 13038

IT IS SUBMITTED the Trieste Surveyors be informed that no trace can be found in this office of their certificates covering electric generators and motors and these should be forwarded as soon as possible. The Surveyors should also state the dates of hydraulic test of the donkey boilers.

Noted that Rpt. 4b has not been signed by the Surveyors, and it is concluded the same remarks will apply as in his letter of 19. 2. 46 in the case of m.v. "ILLIRIA".
