Dear Sir,

Further to correspondence which has passed between us about the Steamer "MANNIN", I am now given to understand by the Isle of Man Harbour Board Engineer that the case of this ship will come up on the Board's Agenda on Thursday next.

Even if they agree to carry out the Special Survey in the near future, I think there may be some objection to bringing such a small ship to Birkenhead for docking during the Winter weather.

Yours faithfully,

C. C. Hancock.

Secretary to the  
Liverpool Committee.

The Secretary,  
LONDON.
