Dear Sirs,

I duly received your letter of the 14th instant enclosing a translation of one received from the Societa Italiana Di Armamento "Sidarma" requesting the Society's survey during the repair of their motor tanker "CARNARO" with a view to classification.

Your remarks are noted and your suggestion that the Naples Surveyor should be joined periodically by Senior Ship and Engineer Surveyors from Genoa is concurred in.

I await the Trieste Surveyors' first entry report in due course.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
GENOA.
