Dear Sir,

Motor Tug "ADAMA" and Barges
"PELAGUS 1 to 12"

I am much obliged to you for your letter of the 9th instant and note the Owners' Proposals in regard to the above-named craft.

It is concluded that the items mentioned in the Special Reasons List against the name of the "ADAMA" will definitely receive attention at this time, and that among the articulated barges, at least the "PELAGUS 8" and "PELAGUS 9" will be drydocked as these are long outstanding for such an inspection.

Yours faithfully,

Clerk to the
Classification Committee.

M.H. Pollock Esq.,
LAGOS.
