ENCLOSURE.

20th November, 1961

Dear Sirs,

M. Tug "ADAMA" & "PEGASUS BARGES Nos. 1-12"

With reference to your letter of the 29th September, with enclosures, and my acknowledgement dated the 16th October, I shall be glad if you will inform the Owners that their proposed arrangements for carrying out the Continuous Special Survey cycle of the Tug "ADAMA" have been approved.

It is concluded that the Owners' desire to carry out the Special Survey, due May 1965, on the Continuous Survey basis and I enclose for their information a memorandum giving the Society's requirements for Continuous Special Surveys (Hull).

With regard to the "PEGASUS BARGES Nos. 1-12" the Owners' proposal to carry out the Special Survey of three complete barges each year has been approved. I would point out, however, that the due dates of Special Surveys are as follows:-

Pegasus 1,2,5,6,7 and 8	due May	1965.
Pegasus 3 and 9	due March	1965.
Pegasus 4	due July	1965.
Pegasus 10	due January	1965.
Pegasus 11	due October	1962.
Pegasus 12	due December	1962.

As the Special Surveys of Barges Nos. 1-10 will all become due in 1965 it will be appreciated if you will forward in due course the Owners' proposed programme for carrying out these inspections.

Yours faithfully,

The Surveyors,
LAGOS.
