

1
D
S/S° CROCE ITALO

Concluded this cable from Genoa means that the MBS due 3/61
has been commenced now by R.I. Surveys only.

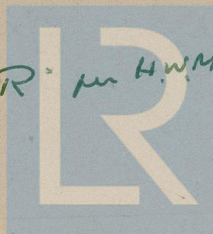

If so, the R.I. survey of Port boilers will be accepted provided our
own Surveys are in agreement & the report (when received) is found
to be satisfactory.

Deferral of completion of MBS until 9/61 could be agreed to.
