Dear Sirs,

ANSD.....

"JUANITA BEAZLEY".

This vessel, as you are aware, has been completed by Messrs. Harland and Wolff, Belfast, under your survey, and sailed from Belfast in May for Ecuador, where she is changing from British Flag to Ecuadorian Flag.

Our clients, Messrs. Anglo-Ecuadorian Oilfields Ltd., the Owners of the vessel, advise us that they require three copies of the Classification Certificate for sending out at once to Ecuador in connection with the changing of the flag.

We have been in touch with the Builders, Messrs. Harland and Wolff, with a view to obtaining these copies, and they advise us that they have not yet received the Classification Certificate from you.

To save time, they have no objection to us requesting you to send the Classification Certificate direct to the Owners, and we should be much obliged if you would arrange to do so. Will you kindly advise us if

Messrs. Lloyds Register of Shipping.

5th July, 1947.

this is in order, and if the Certificate, together with copies, can be sent very shortly to Messrs. Anglo-Ecuadorian Oilfields Ltd.

Yours faithfully,

JACOBS, BARRINGER & GARRATT LTD
