25th October 1916.

Dear Sirs,

M I have to inform you that a first entry report on the steamer "BUREAUCRAT" has been received from the Society's Surveyors at Hull, from which it appears that this vessel is proceeding to your port where the machinery will be fitted, and that to complete the survey part of the deck and the engine and boiler casing require to be riveted up and caulked.

I shall therefore be glad if you will give the case the necessary attention, and forward a report on Form 8 in due course for the information of the Committee.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
NEWCASTLE-ON-TYNE.
