

STOCKHOLM (cont'd.)

11th March, 1960

12386 "ARBAN" - This ship has today been classed #100A1 "Tug" together with the appropriate notations recommended by you. I shall be glad if you will forward further copies of the Forging Certificates in respect of the main engine crankshafts, as those stated to have accompanied your report do not appear to have been received.
