Dear Sir,

S.S. "HAKUBASAN MARU"

1st Entry

With reference to your classing letter of the 10th March 1950, regarding the above named vessel, I have to state that the MN 559 as stated in Kobe Report No.3 is incorrect, the formula for natural draught having been used. The correct figure as stated in your letter MN 720 has been submitted to the Owners with amended account, and the balance of Yen 95,230 (£80-10-0) has been paid into the Kobe account.

This error is greatly regretted.

I am,

Yours faithfully,

Senior Surveyor for
Japan
